

CLTT Board Meeting Minutes
February 2, 2021 7PM eastern
Via Zoom

In attendance: Doug Cornelius, Bill Reynolds, Tom Calalesina, Tony Hopfinger, Pat Baldwin, Andy Robinson, Charles Pringle. Absent Jerry Stanton.

Called to order at 7:05 PM.

Treasurer's Report: No change in status since prior meeting. Assets are approximately \$8,500. There should be some checks coming in for recent membership renewals. No expenditures.

Cares and Concerns: Dave Williams Sr. has been in the hospital recently. He is coming home and is looking forward to phone calls from his boat buddies.

Membership Report: Current membership is 62 (paid up-to-date). Our membership spread sheet shows 66 members. Pat will do some analysis to see where the discrepancy is. There are 9 people who are on our rolls who are expired. Pat will send the list to Doug so he can follow up.

Discussion Items:

Web Page: It was pointed out that our web page has not been updated in a long time. Charles needs to be given material to post. Members need to send photos and short articles to Charles.

Membership Numbers: Almost all clubs like ours are losing membership year after year. Charles offered to use Holiday Harbor billing cycles to include a short, eye-catching blurb on the benefits of joining.

Boat Show: Given the uncertainty of the COVID situation and the impossibility of maintaining social distancing on the Casino docks, it was decided to cancel plans for a 2021 boat show. Bill Reynolds will contact the Mayor to tell him that we will not be using the park on the second weekend of July, but that we want to reserve it for 2022.

Next meeting: Tuesday March 23 at 7:00PM eastern.

Meeting adjourned: 8:05PM

Respectfully submitted by Pat Baldwin.
